

Dear MES participants,

In order to evaluate your experiences in the Middle East Simulation, we would like to ask you to answer a few questions in the form of statements, to which you can indicate your level of agreement or disagreement.

We hope to learn from the results of the questionnaire what you liked about the event, how much and what you feel you learned in preparation of and during the event, and how much and what can be improved for the next time. This survey is anonymous.

Thank you for taking the time to fill out the questionnaire,
your MES team.

Please indicate your answers on the following scale:

I completely disagree	I disagree	neutral	I agree	I completely agree
-----------------------	------------	---------	---------	--------------------

Age:..... Gender: Female [] | Male []

Field of study:.....

How did you hear about MES Konstanz 2009? (please tick the appropriate box(es))

- Mailing list:
- Personal contact Poster
- Advertisement at an event, if yes which one:.....
- Facebook StudiVZ Other internet sources
- Others:.....

What expectations did you have about MES 2009 Konstanz before the simulation?

Knowledge about and Understanding of the Middle East conflict

MES 2009 Konstanz enhanced my knowledge and understanding of the Middle East Conflict

I completely disagree	I disagree	neutral	I agree	I completely agree

Participating in MES 2009 Konstanz helped me to take the perspective of actors from other countries

I completely disagree	I disagree	neutral	I agree	I completely agree

Participating in MES 2009 Konstanz changed my outlook on the Middle East conflict

I completely disagree	I disagree	neutral	I agree	I completely agree

→ *If you indicated agreement to this statement, please tell us how your outlook changed:*

Personal skills

MES 2009 Konstanz helped me to improve my personal skills in debating

I completely disagree	I disagree	neutral	I agree	I completely agree

MES 2009 Konstanz helped me to improve my personal skills in negotiating, communicating and problem solving

I completely disagree	I disagree	neutral	I agree	I completely agree

Participating in MES 2009 Konstanz helped me to improve my English skills

I completely disagree	I disagree	neutral	I agree	I completely agree

MES was good for new social contacts and networking

I completely disagree	I disagree	neutral	I agree	I completely agree

Preparation

The material I received in advance for the simulation from the MES 2009 Konstanz Team was useful

I completely disagree	I disagree	neutral	I agree	I completely agree

The organisational material I received in advance from MEU 2009 Konstanz Team was useful

I completely disagree	I disagree	neutral	I agree	I completely agree

My own preparation was sufficient for the simulation

I completely disagree	I disagree	neutral	I agree	I completely agree

I felt well taken care of by the MES 2009 Konstanz Team prior to the event

I completely disagree	I disagree	neutral	I agree	I completely agree

Logistics

I was happy with the accommodation

I completely disagree	I disagree	neutral	I agree	I completely agree

I was pleased with the food

I completely disagree	I disagree	neutral	I agree	I completely disagree

The locations for the different events were well chosen (Simulation, Galadinner, Party, Press Conference)

I completely disagree	I disagree	neutral	I agree	I completely agree

Overall impression

During the event, I felt well taken care of by the organizers

I completely disagree	I disagree	neutral	I agree	I completely agree

I liked the atmosphere among the participants during the event

I completely disagree	I disagree	neutral	I agree	I completely agree

Which part of the event did you enjoy most?

--

Which part of the event did you like the least?

Follow-up

I could imagine organizing a MES at my university

I completely disagree	I disagree	neutral	I agree	I completely agree

Please note: If you are interested in organizing MES 2010 at your university, please turn to us and we will be happy to help you!

What suggestions (i.e. for improvements) do you have for the next Middle East Simulation?
